Vocabulary

**After**

**Powerful Ideas**

**Evidence**

**Reflection**

- Summarize what you have done
- Write what you can conclude
- What did you like/dislike?
- Make connections to prior experiences, or out-of-school experiences.
- What helped you learn during this activity?
- What could you have done differently?
- What would you like to share with others?
- How might you use what you learned in your own classroom?

**What am I still wondering?**
