July 23-27, 2011 ★ Boston, MA
Boston Marriott Copley Place

PRELIMINARY PROGRAM as of February 7, 2011

Symposium Organizer: C. James McKnight (*Boston University School of Medicine, USA*)

Co-organizers: Jane Clarke (*University of Cambridge, UNITED KINGDOM*)
Matthew H. J. Cordes (*University of Arizona, USA*)
Yuji Goto (*Osaka University, JAPAN*)
Corey J. Wilson (*Yale University, USA*)

★ **Symposium Website** ★ **Open in February 2011** ★ **Abstract Submission** ★

Abstract Submission Deadline: [April 11, 2011](#)

MEETING & EXHIBITOR REGISTRATION: Friday, July 22 through Tuesday, July 26

Saturday, July 23

Concurrent Morning Symposia 1: New Directions in Protein Science I: Engineered Protein Network Interactomes

Speakers: Jason Chin (*MRC Laboratory of Molecular Biology*), Chris Voigt (*Univ of California, San Francisco*), Martin Fussenegger (*ETH Zürich*), Gregory Stephanopoulos (*MIT*)

Concurrent Morning Symposia 2: Proteins in Disease

Chris Dobson (*Cambridge*), Della David (*UCSF*), Wah Chiu (*Baylor*), Karyn O'Neil (*Johnson and Johnson*)

Concurrent Afternoon Symposia 3: Molecular Machines

Speakers: Toshio Ando (*Kanazawa U, CREST, Tokyo, Japan*), Yizhi Jane Tao (*Rice*), Howard Berg (*Harvard*)

Concurrent Afternoon Symposia 4: Protein Homeostasis and Degradation

Speakers: Anna Kashina (*U. Penn*), Robert Sauer (*MIT*), Allyn Schoeffler (*Genentech*), Andreas Matouschek (*Northwestern*)

PLENARY SESSION 1: Walter Kauzmann – Charles Tanford Memorial Session

Speakers: C. Nick Pace (*Texas A&M Univ*), David Eisenberg (*UCLA*), Bruce Alberts (*UCSF*), Ken Dill (*Laufer Center, Stony Brook University*), Robert Baldwin (*Stanford*)

Educator's Luncheon/Workshop

(advance registration and ticket purchase required)

Education and Mentoring Committee Meeting & Mixer

Sunday, July 24

Concurrent Morning Symposia 5: Protein Folding and Dynamics

Speakers: Thomas Kiefhaber (*Ctr for Integrated Protein Science Munich*), Mikael Oliveberg (*Stockholm Univ*), Andrew Miranker (*Yale Univ*), Dorothee Kern (*Brandeis Univ-HHMI*)

Concurrent Morning Symposia 6: New Paradigms and Opportunities in Structural Biology Partnering with PSI: Biology

Chair: Ward Smith (*NIGMS, NIH*) • Speakers: Steve Almo (*Albert Einstein Coll of Med*), Tracy Handel (*UCSD*)

Concurrent Afternoon Symposia 7: Protein Evolution

Speakers: Dan Tawfik (*Weizmann*), Shelley Copley (*UC Boulder*), Yousif Shamoo (*Rice*)

Concurrent Afternoon Symposia 8: Disordered Proteins

Speakers: Sonia Longhi, (*CNRS, Marseille*), Elisar Barbar (*Oregon St*), David Eliezer (*Cornell Medical*)

Networking Dinners (sign up onsite; first come, first served; self pay)

PRELIMINARY PROGRAM as of February 7, 2011

Monday, July 25

Concurrent Afternoon Symposia 9: Proteins in the Cellular Milieu

Speakers: Margaret Cheung, (*U. Houston*), Alice Ting (*MIT*), Zemar Gitai (*Princeton U*), Adrian Elcock (*Iowa*)

Concurrent Afternoon Symposia 10: Lipoproteins and Membrane Proteins

Speakers: David Atkinson (*Boston University*), Karen Fleming (*JHU*), Gang Ren (*Lawrence Berkeley National Laboratory*)

AWARDS PLENARY SESSION 1

The 2011 Stein and Moore Award [sponsored by The Protein Society]

Awardee: Gerhard Wagner (*Harvard Medical School*)

The 2010 Hans Neurath Award [sponsored by The Hans Neurath Foundation]

Awardee (2010): Wendell A. Lim, Ph.D. (*University of California, San Francisco - HHMI*)

The 2011 Hans Neurath Award [sponsored by The Hans Neurath Foundation]

Awardee: Johannes Buchner (*Technische Universität München*)

Networking Dinners (*sign up onsite; first come, first served; self pay*)

Tuesday, July 26

Concurrent Morning Symposia 11: Proteins in Metabolism and Biosynthesis

Speakers: Speakers: Chris Walsh (*Harvard*), Shiou-Chuan Sheryl Tsai, (*UC Irvine*), Vahe Bandarian (*Arizona*)

Concurrent Morning Symposia 12: New Directions in Protein Science II: Visions of the Future

Speakers: Ruedi Aebersold (*ETH Zürich*), Tom Muir (*Rockefeller*)

Graduate Program Fair

Undergraduate Student Research Session

AWARDS PLENARY SESSION 2

The 2011 Christian B. Anfinsen Award [sponsored by The Aviv Family Foundation]

Awardee: D. Wayne Bolen, Ph.D. (*University of Texas Medical Branch*)

The 2011 Emil Thomas Kaiser Award [sponsored by The Protein Society]

Awardee: Jeffery Kelly, Ph.D. (*The Scripps Research Institute*)

The 2011 Irving Sigal Young Investigator Award [sponsored by Merck Research Laboratories]

Awardee: Shu-ou Shan, Ph.D. (*California Institute of Technology*)

The 25th Anniversary Reception Celebration

Wednesday, July 27

PLENARY SESSION 2: Protein Design

Speakers: David Baker (*Univ of Washington*), Rama Ranganathan (*Univ of Texas Southwestern Med Ctr*), Donald Hilvert (*ETH Zurich*), Jeffery Saven (*Univ of Pennsylvania*), David Eisenberg (*UCLA*)
